

Girl Scout Gold Award

“Serving the Ones Who Serve Us”

Hi my name is Claire Solliday I finally finished my Girl Scout Gold Award Project, but to keep it sustainable I need your help!

For my project I served two families whose husbands had been recently deployed. I led a team of two girls and one adult. I went to each family's house 3 times, providing them services like: a meal, child care and light house cleaning. The first night was a get to know you night so I provided a meal and it was a fun night to get to know the family! The second night was for the mom to have a night off and I provided a meal, child care and light housekeeping. The last night was for when the husband returned home, so the mom and dad could have a date night.

If you decide to be a part of this and help a family you would be doing what I just explained but you would not be doing this alone. I encourage you to do it in groups of two or three. Mrs. Solliday will be the lead contact with the next family referred to us from the U.S. Reserve Marine Corps in Pasadena.

Thank you!
